

Customer action: Cancel a booking request

Last Modified on Jun 27, 2019

A Customer can cancel a booking request at any time. Booking requests that have not been approved are not subject to the cancellation policy set by the meeting organizer. The Cancellation policy applies only to scheduled or rescheduled bookings.

In this article, you'll learn about the steps that a Customer takes to cancel a booking request.

How Customers cancel a booking request

1. To cancel a booking request, the Customer clicks the **Cancel/reschedule** link in the scheduling confirmation email (Figure 1).
