

Setup assistance packages

Last Modified on Jan 14, 2021

You have access to our [free onboarding webinars](#) which are run daily to provide you with all the training you need to get the most out of the platform. All products also come with a comprehensive getting started guide that includes short videos that give you a full overview of the application and its capabilities. Learn more about [Getting started with ChatOnce](#) and [Getting started guide with ScheduleOnce](#)

If you're interested in having us walk you through setting up your account or require that all your employees will be trained on using OnceHub, we're happy to help. We offer setup assistance packages for step-by-step help and training, priced at \$125/hour. [Book your session now](#)

During the session(s), we will discuss your requirements, make suggestions for efficient implementation, and be right there with you as you set up your account, every step of the way.

What will we do during our session(s)?

ScheduleOnce

- Set up multiple [Event types](#)
- Implement [calendar integration](#)
- Customize [email templates](#)
- Set up CRM integration
- Help you [add and manage Zaps](#) within ScheduleOnce
- [Create multiple User accounts](#) for employees
- An hour or more of training with all your employees on board, learning how to use ScheduleOnce (session can be recorded at request)
- Anything else we've agreed upon after consulting with you

Is a setup assistance package right for you?

Possibly, if you:

- Don't feel comfortable implementing software configurations on your own, without direction from a professional
- Want to save time by paying a professional to configure OnceHub faster than you'd be able to on your own
- Want all your employees to be introduced to OnceHub fast and effectively, providing them with all the resources and knowledge they require to get started

To purchase a setup assistance package, simply [book your session\(s\)](#). You will be required to pay for the package through our PayPal integration in order to submit the booking.
