The Cancel/reschedule page allows Customers to cancel and reschedule bookings subject to the [Cancel/reschedule policy](#) you set on your [Booking page](#) or [Event type](#). Customers access the Cancel/reschedule page by clicking the **Cancel/reschedule** link in the [scheduling confirmation email](#) or the [calendar event](#) for the booking.

To [cancel a booking](#) or [reschedule a booking](#), the Customer can click the **Cancel/Reschedule** link in the scheduling confirmation email or calendar event. This will take them to the same Booking page or [Master page](#) where the Booking was previously made.

If the Customer clicks **See available times**, they will be prompted to select a new time and reschedule the meeting.
