

## Opting in and out of SMS Notifications [Classic]

Mobile phone numbers provided by your Customers and Team members are held in strict confidence and will only be used for sending scheduling notifications, based on settings that you define. However, sometimes Customers or Users will want to stop receiving SMS notifications.

OnceHub maintains an SMS opt-out list. This is a list of mobile numbers that have opted out of receiving SMS notifications from the OnceHub system. The opt-out list is maintained to ensure OnceHub Users comply with applicable laws and regulations.

You do not need an assigned product license to subscribe to booking notifications. [Learn more](#)
