

## Customer action: Cancel a single booking [Classic]

Whether or not a Customer can cancel a booking is subject to the [cancellation policy](#) you've set on your [Booking page](#) or [Event type](#). The cancellation policy only applies to scheduled bookings.

In this article, you'll learn about the steps a Customer takes to cancel a single booking.

### How Customers cancel a single booking

1. The Customer clicks the **Cancel/reschedule** link in the scheduling confirmation email (Figure 1) or in the [calendar event](#).

2. The [Cancel/reschedule page](#) will open.
3. In the **Keep** tab, the Customer can review the details of the booking.
4. In the **Cancel** tab, the Customer can click **Cancel the booking** to cancel the booking (Figure 2). Depending on your [Cancel/reschedule policy](#), the Customer can be asked to provide a reason for canceling.
