

A User is not receiving SMS notifications [Legacy]

There can be a number of reasons why a User is not receiving [SMS notifications](#). This article is relevant to Users who have never received User SMS notifications and to Users who were receiving them but suddenly are no longer receiving them.

Check that SMS notifications are enabled and that your mobile number is correct in your profile

1. Select your profile picture or initials in the top right-hand corner → Profile settings → **SMS notifications**.
2. Ensure that **Receive User notifications via SMS** is toggled **ON**.
