

Booking Calendar Redirect [New]

The **Booking Calendar redirect** feature allows you to redirect guests to an external URL after they complete a booking. This is useful for:

- **Thank You Pages:** Redirect guests to a confirmation page after booking.
- **Payment Pages:** Direct guests to complete payment after booking.
- **Survey Forms:** Collect feedback or additional information post-booking.

How to Set Up Redirects

To Set Up a Redirect After Booking:

1. Click **Booking Calendars** in the left-hand menu.
 2. Select the **Booking Calendar** you want to edit.
 3. Go to the **Booking Form Tab**.
 4. Scroll to the bottom and locate **Redirect to an External URL**.
 5. Toggle the option **On** to enable redirection.
-

Specify a Custom URL for Each Scenario:

In the right-side toolbar, you can specify unique URLs for the following actions:

- **After guest schedules:** Direct guests to a confirmation page.
 - **After guest reschedules:** Redirect guests to a page confirming the updated meeting time.
 - **After guest cancels:** Guide guests to a cancellation confirmation page.
-

Send Meeting Information to the Redirected Page

You can use the **Include mapped fields data on redirect page** toggle in the right-side toolbar to send the following data via URL to the page that is redirected to:

- Booking Calendar ID
 - Meeting subject
 - Meeting status
 - Meeting creation time
 - Meeting starting time
 - Guest name and email
 - **Questions mapped to fields**
 - Any URL parameters originally passed to the Booking Calendar URL
-

By using **Booking Calendar redirects**, you can guide guests seamlessly to the next steps after booking, improving the overall scheduling experience and ensuring follow-up actions are completed smoothly.
